

Important update – Coronavirus

We are very aware of the concern around the spread of the coronavirus (Covid 19). We have expanded the ways you can shop with us, which means you don't need to come into the shop if you self-isolating, vulnerable or just concerned. We also appreciate the situation is changing rapidly, so we may reach out to you again if things change and restrictions are imposed on us by the Government.

The shop remains open

Most importantly, we the shop is open and we are happy to remain open. The shop is cleaned regularly, and we have no issue serving our customers. We are not like a supermarket, where there are lots of people in the shop at any one time, so we are low risk.

Reduction of minimum purchase value to qualify for home delivery

We currently offer free delivery for any orders over £100. We have reduced this to £50, regardless of what you buy. You can call the store and place and pay for your order and we will do door drops for you.

Special service for 'vulnerable' customers

If you are particularly vulnerable and are not comfortable or prepared to go out shopping, then please contact us if you wish to purchase anything. If we have the capacity to, we will deliver to your door.

Wine tasting – Saturday 28th March

At the present time, we plan to go ahead with our complimentary spring tasting. If anything changes, we will let you know.

Take care for now and stay safe.
